## NOW IS THE HOUR!

Now is the time for the people of Brisbane to decide for themselves whether we are to become a respected community and a part of the peninsular life, or whether we are to remain as we have been, just a spot on Bayshore Highway that is ignored by the county officials and looked upon with contempt by all other residents of adjoining communities.

In the forth-coming elections you are going to be asked to decide on the men who will administer your police district. To these men you will delegate the authority to administer not only the law and ordinances of the civil code but also the power to ENFORCE the Public Health and Safety Code of this county. Conscientious enforcement of this code by men who have the knowledge and ability coupled with the authority and DESIRE to do this job properly, promises benefits to the better element of Brisbane to a remarkable extent. We mention a few outstanding evils that are within the power of this commission to correct: The use of Visitacion and San Bruno Avenues as impromtu race tracks by unmuffled cars at all hours of the day and night; the nuisance of stray cows in your yard, goats in your flowers and chickens in your garden; the shabby look of some of our streets caused by abandoned sheds, chicken coops and junked cars and trucks (which beside being eyesores, are definite fire hazards). In short: any and all things that apply directly to the health and safety of Brisbane come under the administration of this commission.

The results of this election promise to be a major step toward determining whether we are able to become a city of people who are capable of working together for the betterment of ourselves and our surroundings, or whether we will continue to be just a wide spot in the road, devoting all of our energies toward squabbling amongst the few controversal factions in our midst,—which does nothing but enrich the people who have chosen Brisbane for the center of their activitis bcause it is ungoverned, unpoliced, and practically unnoticed by the authorities.

Shall the establishment of a police district in this area be the beginning of an era of Health, Safety and Public Protection for the people of Brisbane? Shall it be the stepping stone toward incorporation and the establishment of ourselves as a recognized city with all the advantages that will accrue to the people who pay the taxes and support the merchants of our town? Or shall we decide once and for all to remain the derelict of the peninsula?

At the coming election you will be asked to decide on this issue. The list of candidates for administration of the newly formed police district includes the names of men who have

## ATTENTION CITIZENS OF BRISBANE!

Many of the citizens of Brisbane have conveyed their interest in the recreational activities of Brisbane to the recreation director Mr. Eddie Davenport.

I would like at this time to pass on to you some of the facts and activities of the recreation center. For the benefit of all I would like you to know that the attendance at the center has tripeled as of now and increasing all the time. The attendance for the month of Feb. ruary was 5300 children. This figure now puts us up among the top in the county. Some of the added facilities at the Center include a new basketball court, with another being erected; a volleyball court, new bulletin board, equipment rack and only last week Mr. Lou Terry has finished painting the lower part of the building; a pretty Mexican blue.

With the attendance up this high and showing a steady increase it is now up to the citizens of Brisbane to show their interest by giving us some much needed cooperation. With cooperation and the will to go somewhere we all can put Brisbane in the eye of the county expansion program. So far we have had the help and cooperation of only a minority of citizens; so what do you say we hear from the rest of Brisbane's good citizens.

Interest in recreation concerns every person in Brisbane as it is for the benefit of all. The director, Eddie Davenport, welcomes all ideas and suggestions—any of you may have and can be contacted at the Center or by phoning JU. 5-2117. With some of your help in the form of suggestions etc., I can feel that your interest is with us and for the future of Brisbane, is the way the director feels.

## SPECIAL POLICE COMMISSIONER MEETING

A special meeting and dinner for the purpose of administering oath of office to Fred Mullens was given at Oliver's in South San Francisco on the evening of February 19, 1948.

Commissioner Lester E. Bybee, Edmund Krampert and John Carrigan and Officer Mullens were all present.

Also present as invited were Mrs. Lester Bybee, Mrs. John Carrigan, Mr. and Mrs. David Reed, Mr. and Mrs. H. Earle Woodard, Mr. and Mrs. Tedd Bons, Mr. and Mrs. Louis Terry and Mrs. Fred Mullens.

A round table discussion took place when every one present pledged their support to the police district and offered suggestions on new avenues of revenue to keep the officer in funds. Conditions needing immediate attention were cited by various speakers; speeding, juvenile delinquency and parking being stresssed by most. All felt that Brisbane in its entirety must back the new district in order that it may succeed in law enforcement.

Oath of Office was adminitered by Chairman Lester E. Bybee installing Fred Mullens as police officer. Instructions following were: That this appointment as police officer is only temporary since election of permanent commissiooners is soonto be held. That authorization to enforce speeding and parking ordinances, see that stop signs are obeyed and enforce laws regarding minors in saloons in regards to pinball machines That all calls will be answered without discrimination. That most of patroling will be done at night. That he as Officer will take care not to overstep his authority at any time.

Fire Chief Terry suggested a joint meeting of the Fire and Police Commissioners in the near future to iron out certain Police duties formerly assumed by the Fire Board.

The Meeting was adjourned at 11 P. M. with the thought that Brisbane must be sold 100% on the Police District and its purpose to insure success.

## TRIBUTE TO A REAL SPORT

I would like to take this opportunity to publicly inform the citizens of Brisbane of the fine cooperation given the Recreation Center by Mr. Howard Carr, Sports Editor of the Burlingame Advance.

Mr. Carr has cooperated only to the fullest extent in publishing any and all activities of the Recreation Center.

It is through cooperation of this kind that is helping to put Brisbane on top of the County Recreation ladder. Being one of the finest sports editors on the coast, it is only fair to publicly thank Mr. Carr at this time on the fine job he has done.

Thanking you Howard Carr,
Mr. Eddle Davenport,
Brisbane Recreation Director.

## BRISBANE TO BE 14th CITY IN SAN MATEO COUNTY

(Times Redwood City Bureau)

REDWOOD CITY, Feb. 17.—Plans of Brisbane residents to incorporate and become the County's fourteenth city were revealed at this morning's session of the board of supervisors during another hectic debate over the resident's demands for county improvement of San Bruno avenue in that community.

**Delay Asked**

Lester E. Bybee, realtor and chairman of the Brisbane road committee, said his group finds it impractical to form a road district for ukeep of San Bruno avenue for several reasons, among them that Brisbane is pushing plans for incorporation.

He said these plans would materialize "by 1950."

"We'd launch incorporation immediately except that the Crocker estate, which is contemplating industrial development of its acreage adjacent to Brisbane, has asked a delay about two years so that its property can be taken within the new city."

**All in Favor**

Brisbane now has close to 5000 residents. He said "almost everyone is in favor of estblishing a municipality, and there is no organized opposition."

Bybee told the board a road district "couldn't begin to operate or obtain revenue before 1950," and reminded the supervisors that "promises have been made many times since 1942 of putting San Bruno avenue into shape."

"And while I'm on my feet,' the committee leader said, "I'd like to take on County Engineer (M. A.) Grant for his remark that Brisbane has been "riding free" on county road money. Automobiles registered to Brisbane residents yield $2000 a year in gasoline tax, and I don't think Mr. Grant can show where he has spent more than $2600 in any one year on our roads in the last ten years."

**Can't Be Added**

He asked that the board grant the original petition, requesting that 1800 feet ofSan Bruno avenue be taken into the county's secondary road system for improvement and an outlet to Bayshore highway.

Engineer Grant, replying to his critics, said he doubted the county can add the road to its certification to Sacramento for gas tax allotment. "We've over 500 miles of road already certified to the state," he said.

On motion of Supervisor Martin Poss the board put it up to the district attorney as to whether the road can be taken into the county system. Assistant District Attorney Dan Sullivan informed the supervisors, "We'll have to know how much of this is private road and how much is in public use."

## MOVIE PAST LOCAL BOY WITH

An interesting item about one of our local newsboys came to our attention of late.

His name is Robert Nizuk of 131 Santa Clara Road, Brisbane.

He has lived in Brisbane since 1942 coming here from Hollywood. At the age of two and one-half years he was a Hollywood extra and acted in two pictures with Charles Chaplin.

## NEW FIRE COMMISSIONERS

There being no competition at the usual election for fire commissioners the first Monday in April the Board of Supervisors of San Mateo County will appoint the two nominees to fill vacancies on our board of Fire Commissioners.

Mr. H. Earle Woodard will serve for the three year term and Mr. David R. Reed will serve for the one year term.

## LEGION DANCE

A second dance given by The American Legion Post 473 on February 28 proved to be another outstanding success.

Worthy of attention was the fact the hall had been cleared of the bar which had been moved into an adjoining room to the left of the door enabling dancers to have more room.

Chances on a rasher of bacon were sold and the lucky winner was Myrtle Tikkanen, San Benito Road, Brisbane.

Prizes were awarded for a jitterbug contest.

Good music and refreshmentss completed a yery enjoyable evening.

## THE BOYS' RECREATION BASKETBALL TEAM

The Boys' Recreation Basketball Team has now graduated from hard surface playing to playing in gymnasiums; everything complete. our team has really improved and to many of Brisbane's citizens they would be the surprise of the year. Following named boys are members of the team:

Wally Gull (Capt.
Snooky Mayes Larry Blanchard
Henry Schmidt Dick Firth
Richard Trantham Wilmer Olsen
Donald Delbon Ray Record
Charles Marin Don Gorman
Ronald Mansel.

These boys have really put effort and hard work into this thing and deserve much credit for it.

On Saturday, February 21, Brisbane really done themselves some good.

In the morning they played Glen Park at the Glen Park Gym. Brisbane won the game by a score of 21-17. Glen Park previously had gone all the way to the semi- finals in San Francisco's All City Tournament.

Again in the afternoon Brisbane beat a very fine team, in beating Portalas Team by the score of 21 to 19.

Incidentally Mr. Davenport was complimented by Glen Parks coach by being told that his team showed the finest sportsmanship ever shown in Glen Parks Gym. This is a tribute to the boys and their parents and should make all of Brisbane very proud of their citizens.

On February 21, Saturday, Brisbane again won more laurels for itself. In the morning's game they beat Fairmont's team by the score of 35-7. Fairmont previously was undefeated. Forward Ray Record was high point man in this game with 9 points. All of the boys turned in a very fine game.

In the afternoon's game Brisbane done it again by beating Bernels Champs by the score of 39-18. Captain Wally Gull was high point man in this game with 16 points besides playing a wonderful floor game. This really puts a feather in Brisbane's hat as they have beat all very fine teams. In fact, some of San Francisco's best. The Director is very proud of his boys and personally wishes to congratulate each and every member of the team.

Mr. Daevnport at this opportunity wishes to personally thank some of Brisbane's good citizens for helping us in our transportation problem. So far, those citizens who have put personal effort and expense out for us are: Mr. and Mrs. W. Delbon, Mr. and Mrs. R. Trantham, Mr and Mrs. F. Record, Mr. and Mrs. Bybee.

We appreciate this effort and wish we had more of the same cooperation.

## THE GIRL SCOUTS OF TROOP No. 2

The Girl Scouts of Troop No. 2, sponsored by the Ladies' Auxiliary of Brisbane Fire Department started off the month of February by electing the following officers for the next half year period:

President, Carol Prease
Vice-President, Carol Chapman
Secretary, Martha Penrod
Treasurer, Carol Carrigan

Sunshine Committee:
Betty Babkirk, Chairman
Joan Isdahl

Vanlentine's Evening, February 14th was celebrated by the girls and their friends by having a Box Supper in the school auditorium. The girls decorated their boxes beautifully and filled them with no end of good things to eat, then the boys bid on them. First prize for the best decorated box went to Barbara Kyles.

Dancing followed the supper.

We of Troop No. 2 take this opportunity to thank Mrs. Eric Koster who helped us so greatly to make this party a success. Also Mr. Grabasky who furnished the music and everyone also who assisted in putting it over in such grand style.

We ended the month with a swimming party at Crystal Plunge Sunday, the 29th of February.

In March along with our regular meetings we will hold a Court of Honor where the girls will receive their merit badges which they have earned these last few months. There will be a program and refreshments served. All of our parents and friends are invited. The exact date will be announced later.

Our outing for the month will be a skating party.

Don't forget Summer Camp Girls! Now is the time to start thinking about it so that we can get our reservations in early.

## P. T. A. LIFE MEMBERSHIP AWARDED

On February 26, the Brisbane Scout Master, Mr. Jack Grabosky was the recipient of a Life Membership in the P. T. A. This award is given to the person who has contributed the most to the welfare and assisstance of groups associated with the youth of our commuity.

To the people who know Jack, it is not surprising that he was chosen for this award. The Life of may Brisbane youth has been enriched by his association with the Scouts in various activities. The success of our Scout group and the good character of its boys is a reflection of the work and attention of a good leader. A familiar sight is the Grabosky pickup heaped full of noisy happy youth, and every occasion that calls for a chperone usually finds Jack out front having as much fun as the boys themselves.

Jack hasn't any children of his own. He doesn't need them. All boys belong to Jack to enjoy, they go together like bread and butter. And so we the P. T. A. salute you, our Honorary Life Member.

Spring is the Season that is marked by a change of the equinoxes and the underwear. Although Spring seldoom becomes Spring-like before the middle of April, it arrives officially on the twenty-first of March — a month that comes in like a lion on the first, goes out like a lamb on the thirty-first, and has most of us out on our feet on the fifteenth. Among the better-known manifestations of Spring are:

Daffodils: A daffodil is a large yellow flower that flutters and dances in the breeze. The hot-house daffodil is especially large being best described as a butter-cup in a zoot suit.

Showers: April showerss are suppoed to bring May flowers. Other things they bring are muddy shoes, shrunken topcoats, floods and July double-headers.

Spring fever: Spring fever is something that after you have taken aspirin, sucked cough drops, gargled salt water, absorbed sulphur and molasses, drunk lots of fruit juices, conssulted your doctor, bought $4.85 worth of medicine he prescribes and gone to bed, your friends tell you you should do something for

Easter will come early this year, and as always, Ham heads the list of dinner favorites. Here is a delicioious way to fix your Easter Ham:

1 medium ham
1 can peach halves (apricot or pear halves may be substituted)
Whole cloves
¼ cup molasses
2 tablespoons vinegar

Simmer the meat until tender. let it cool, slice it and lay the slices in a large baking pan. Stud the peach halves with cloves and arrange around and over the meat. To ½ of the juice from the peaches, add the molasses and vinegar. Simmer this gently about five minutes. Pour over the meat and fruit in the baking pan. Bake in a moderate oven (350 deg. F.) ½ hour. Baste occasionally with hte juices in the pan. Use wine in place of the vinegar for a good flavor variation.

When the children have a party, why not let them make some old fashiooned Honey Taffy? Pulling it will be a real treat for them, and keep them busy and happy, with a delicious reward at the end of their task.

2 cups Honey
Two-thirds cold water.
2 cups sugar
Pinch of salt.

Boil the water, honey and sugar together to 288 deg. F. (a hard ball in cold water) Add salt. Put on buttered dish to cool then pull until white. If the pan in which the candy is cooked is buttered around the top, it will not boil over.

**Household Hints:**

When wash cloths become old and faded, fold them over and cover with a casing of gingham or cretonne. Now you have a thick serviceable pot holder. To hang it try whipping the metal loop from a discarded garter onto one corner.

Spring cleaning note: Have you ever noticed the speed and efficiency with which hotel maids move from one task to another? Their mainstay is usually a sturdy flat basket filled with tools and supplies for their work. You can use this idea in your own home, stocking your basket with dust-cloths, soft cloths for polishing, liquid and paste wax, spot cleaner, a can of abrasive for the batrroom, soap, and a pair of rubber gloves. Cotton ones too, if you are particular about your hands.

A small paint brush dipped in furniture pclish is fine for cleaning all the nooks and cranies of carved furniture.

Color note: When the inside of your linen closet is painted a deep blue, there will be no danger of your linens turning yellow!

Blossom on the plum
Wild wind and merry:
Leaves upon the cherry,
And one swallow come.
Red windy dawn,
Swift rain and sunny;
Wild bees seeking honey,
Crocus on the lawn;
Blossom on the plum.
Grass begins to grow,
Dandelions come;
Snowdrops haste to go
After last month's snow
Rougr winds beat and blow,
Blossom on the plum.

### CORRECTION!

We wish to correct an error which was printed in our February issue. Two items concerning the same fact were sent in by two different people. The correct one reads:

A girl was born January 8, 1948, to Mr. and Mrs. Fred Schmidt. The little lady weighed 5 lbs., 3 ozs., and her name is Kathleen Eleanor.

The Editor had no way of knowing the two were brothers, one being single and the other married. Apologies are due Paul Schmidt for using his name by mistake.

### BUSINESS STIMULANT

"Don't forget that I made 11 visits to your son while he had the measles," the doctor told her.

"And don't forget that he infected the whole school," countered Mrs. Brown.

worked long hours and days on their own initiative and unpaid time for the betterment of Brisbane—it aslo includes the names of men whose chief interest is the continued inflation of their already over-filled pockets. The future of Brisbane depends on how YOU vote. THINK! DECIDE! VOTE!

THINK—of the candidates: are they for Brisbane or for themselves?

DECIDE—which you want: a respected city, or a continuance of what we now have.

VOTE—so the town as a whole will know your decision. Don't waste your time saying "I told you so" when YOU are the one who is responsible.

## TRUCK DEMOLISHES CAR AND GAS STATION

The Shell Oil Service Station operated by Mr. Mozzetti at the entrance to Brisbane and a parked car was completely demolished by a huge trailer truck which careened off Bayshore Highway Feb. 26.

Fortunately no one was in or near the station at the time.

The driver of the truck John J. Vincequerra, 24, of San Jose said his air brakes failed as he descended the hill approaching the stop signal. To avoid hitting four cars which had stopped for the light signals he swerved from the road.

His thirteen ton truck loaded with meat struck a parked car, knocked the service station off its foundation and ploughed through it carrying it fifty feet.
